

Dear Sir/Madam,

The Korea Association of Property Appraiser (KAPA) is pleased to announce that it is hosting the 2020 IVSC-WAVO Global Conference in Seoul, on June 4 and 5, 2020.

The main theme of the Conference is “Universal Standards in Valuation”. “International Valuation Standards in AI Circumstances (Artificial Intelligence Applicants)” and “International Valuation Standards as a Way to Cross Political Boundaries” will be focused upon as subthemes. Considering that AI issues and the requirements of global standards evolve over time, an effort on the part of global professionals to address future challenges together is necessary.

We gladly welcome papers and would like to invite you to attend the conference, present your thoughts, and share your ideas. Important dates for papers are as follows:

**Abstract submission deadline: October 31, 2019**

**Abstract acceptance notification: November 31, 2019**

**Full paper and power point submission deadline: March 31, 2020**

All papers presented in the conference must be submitted electronically to [international@kapanet.or.kr](mailto:international@kapanet.or.kr)

The call for papers is open for appraisers, valuers, practitioners, researchers, academics, and regulators from all over the world. Submission of high-quality research papers describing original and unpublished works on the above themes is most encouraged.

We look forward to your attendance and participation at the Conference.

With best regards,

Sumi Ku

Chairwoman of the Organizing Committee for the 2020 IVSC-WAVO Global Valuation Conference

# Global Valuation Conference

June **4-5**, 2020  
Lotte Hotel Seoul, Korea

## Universal Standards in Valuation

- International Valuation Standards in AI Circumstances  
(Artificial Intelligence Applicants)
- International Valuation Standards as a Way to Cross Political Boundaries

# Invitation

We invite you to the IVSC-WAVO Global Valuation Conference in Seoul, Korea, to be held in June 2020.

Globally (including Korea), the appraisal industry is faced with a number of changes, and these changes have given us many issues to solve together as a professional community. To provide more specialized, differentiated and standardized appraisal services, we would like to provide opportunities for global appraisers to share experiences, information and opinions. Our shared ideas will serve as the basis for finding ways and opportunities for the appraisal industry to move forward.

We look forward to your interest and participation in making a meaningful conference together, and we will see you in Seoul in 2020.

**Soon Gu Kim**

President of Korea Association  
of Property Appraisers

# KAPA is

The Korea Association of Property Appraisers (KAPA) is the sole statutory body of certified appraisers under the Ministry of Land, Infrastructure, and Transport and has made significant efforts to improve appraisers' qualities and systems, while expanding the work area and enhancing relations with international organizations.

Through such efforts, KAPA is promoting the appraisal industry in the public interest, and as a consequence, is contributing to the stabilization of the related market and the national economy. Furthermore, KAPA has played a leading role in the appraisal field by facilitating ethical and fair transactions and developing appraisal methods.

KAPA is a group of certified professionals putting our best effort to enhance the national economy, to continue serving the public by returning the nation's trust, and to spur the development of the appraisal business based on continuous reform.
